ACKNOWLEDGEMENTS

The development of this plan would not have been possible without the dedicated efforts of the Wildland Urban Interface Fire Mitigation Task Force and the Wildland Urban Interface Fire Mitigation Planning Committee. Special thanks to Sandy Von Behren and Marilyn McFarland with Kootenai County Disaster Services who assisted in coordinating meetings and to Nelle Coler of Panhandle Area Council for managing the project.

Financial and technical support was provided by the following agencies:

Bureau of Land Management
Idaho Bureau of Disaster Services
Idaho Department of Lands
Idaho Department of Commerce
USDA-U.S. Forest Service
National Fire Plan
Kootenai County Disaster Services
